000SAF21	Aerial and Scissor Lift (A-IEWP) Training		

3 Select the Class you would like to update the status for.

4 Review the members on the list and their changes. Uncheck any member you wish to be excluded from updating. Then, click "Process Checked Records" to update the status in IWATS for the selected members.

5

Click this dropdown to select the next status you would like to update and repeat the steps above until you have updated all status options desired.

The screenshot shows the top navigation bar with "!!! ALERTS AND SUPPORT !!!" in the center, and "Security", "Weld Cert", and "Logoff" on the right. Below the navigation bar is a "Filter by status:" dropdown menu currently set to "Apprentice". The main content area is a table with the following data:

ATS Status

APPRENTICE

At the bottom right of the table area is a "Process Checked Records" button.

6

Click "Address Syncing" to update addresses for members.

The screenshot shows the top navigation bar with "Iron Workers Online" on the right, and "IATC", "Member", and "Reports" in the center. The left sidebar contains a list of menu items: "Address Syncing", "Status Syncing", "Apprentice Categories", "Certifications", "Courses", "Document Types", "Employers and Projects", "Instructors", "Wages", "Global Search", "Cert Card Requirements", "Cert Counts", and "WCP certifications". The "Address Syncing" item is highlighted with a blue background. The main content area shows a table with the following data:

Sync	Name
H	

7

Review addresses updates. Check only members you wish to update the address for. Then, click "Sync Checked Addresses" to update the member records.
