You will still need to email a copy of the Death Certificate to **gto@iwintl.org**, and check for any additional LOCAL death benefits owed as they may also need an original copy of the death certificate sent.

These are additional benefits to check for if applicable:

If the deceased member/company contributed to NSPF/BMGI the family member/beneficiary/Local will need to email a death certificate to BMGI at **inpp@bmgweb.com**.

You will need to check older agreements or merger documents for additional death benefit insurance for your Local or their previous Local.

Canadian death certificates will need to be sent to the Canada death benefits office if the deceased member/company contributed.
